Alternate Course

The Portland Marathon initiates its Alternate Course at 1:30 p.m. (6 1/2 hours into the event), by swinging the gate.

The Gate is at Willamette Boulevard and NE Killingsworth, between mile marks 21 and 22. All Alternate Course participants must use and remain on the sidewalks, and obey all traffic and crosswalk signals as they proceed towards the Finish.

Alternate Course participants follow NE Killingsworth to NE Interstate Avenue, and Interstate to NE Larabee, and Larabee to Broadway. Participants cross Broadway at the traffic signal at Larabee and turn right and remain on the sidewalk across the Broadway Bridge. Do not take the Lovejoy ramp. Stay to the left and follow Broadway straight six Blocks to NW Davis. Turn LEFT on NW Davis. Follow Davis to Naito Parkway. Turn right and remain on the sidewalk on Naito.

Follow the sidewalk paralleling Naito to SW Salmon and continue to the Finish Line.
